## REFERENCE

**Donna Hatton**

ICT Help Desk Officer at All Saints' College

Phone: +61 407 997 562

Email: Donna.Hatton@allsaints.wa.edu.au

## PROFILE

I am a first-year university student studying the Combined Bachelor of Engineering (Honours) and Bachelor of Science at the University of Western Australia, majoring in Mechanical Engineering and Computer Science.

As a highly motivated individual with a strong interest in applying practical, real-world solutions to complex problems, I am eager to gain hands-on experience in the engineering field. With a solid foundation in mathematics, physics, problem-solving, and team collaboration, I am keen to contribute to innovative engineering projects while learning from industry professionals. I bring a proactive attitude, strong work ethic, and a willingness to take on challenges that help me grow both technically and professionally.

## WORK EXPERIENCE

### Auskey Education (Part-Time)

2025-Present

#### Academic Tutor

- Deliver personalised tutoring in both one-on-one and group settings, adapting to diverse student learning styles
- Design and implement customised lesson plans to address individual student needs and academic goals
- Prepare and share detailed weekly progress reports with parents, ensuring transparent and ongoing communication

### All Saints' College (Part-Time)

2021-2024

#### Tech Coach

- Assist staff and students by diagnosing and resolving ICT-related issues
- Empower staff and students with the knowledge to independently address common ICT problems
- Efficiently manage enquiries at the College's ICT Help Desk
- Create entries for, and update, the College's FAQ system for technological enquiries
- Lead annual computer rollout sessions

## EDUCATION

### Bachelor of Engineering (Honours) and Bachelor of Science | Lawrence Scholarship

2025 - Present

The University of Western Australia

### Western Australian Certificate of Education | Music-Academic Scholarship

2011 - 2024

All Saints' College

ATAR: 99.60

# ACTIVITIES/ACHIEVEMENTS

## ACADEMIC

- Recipient of the UWA Lawrence Scholarship
- Received and accepted a scholarship offer from All Saints' College covering 75% academic tuition fees and 100% music tuition fees. Also received an academic-music scholarship offer from St Hilda's Anglican School for Girls covering 50% academic tuition fees and 100% music tuition fees, and a GATE offer from Perth Modern School, but did not accept these offers
- All Saints' College Academic Award (Honours) recipient for all eligible semesters
- Have Sum Fun Mathematics Competition representative - 1st, 2nd and 3rd place
- State RoboCup Junior Competition champion in numerous years of competitions
- 2023 National RoboCup Junior Competition champion
- 2024 International RoboCup Junior Competition Australian representative

## ARTS

- Passed the AMEB Piano Grade 8 exam with honours (received an A grade)
- Violist in the Symphony Orchestra and Guarneri Chamber Strings Ensemble at All Saints' College - performed on various occasions as part of these ensembles as well as a soloist
- Created artworks for the All Saints' College Nulsen Art Exhibition, and my art has been auctioned successfully with all proceeds going towards Nulsen Disability Services

## SERVICE

- National OnStage Technical Committee Member and Western Australia State General Committee Member at RoboCup Junior (Australia) Inc. This role involves organising RoboCup competition events and revising the RoboCup rules for the OnStage League.
- Volunteer of the Australia-China Friendship Society of Western Australia (ACFSWA) from 2021-2025. Assisted with many of ACFSWA's events, such as being an usher at the 50th anniversary of Australia-China diplomatic relations and the Australia-China Friendship Society (ACFS) National Conference 2022, and an emcee at both the 16th and 17th Chinese Bridge Chinese Proficiency Competition for Foreign Secondary School Students.
- Created All Saints' College's first Walk-a-Mile Campaign, which aims to raise awareness and funds for people experiencing homelessness through having participants walking an extra mile everyday, and people sponsoring them to take part in this challenge. This campaign raised over \$3,400, which was donated to Anglicare WA.
- Judge and volunteer at the 2022 World Robot Olympiad Australian National Competition

## LEADERSHIP

- Year 12 Catalyst (Service Learning and Social Enterprise) Captain: I led a group of Year 10 Anglicare Ambassadors, along with two Year 11 Catalyst Leaders, in raising awareness and fundraising for homelessness, in partnership with Anglicare WA
- Year 11 and 12 Robotics Club Captain: I have led our team in achieving top places in State and National RoboCup competitions, and I have also mentored the younger club members
- Year 11 Catalyst Leader
- Year 11 Peer Support Leader

## SPORT

- 3rd Dan Black Belt in Taekwondo
- UWA Social Sport - Netball
- Associated & Catholic Colleges of WA (ACC) Interschool Mixed Ultimate Frisbee Team
- ACC Interschool Girls' Badminton Team
- ACC Interschool Athletics Team - Javelin
